

GARCIA HOUSE

A CIRCLE PROGRAM BY SUMMITSTONE

People Can and Do Recover.

Our Philosophy

At Garcia House we believe that people can and do recover because we see it every day. We promote a safe, inclusive and healing environment, while understanding that recovery occurs along a continuum and each individual may be at a different point along this journey. We value the uniqueness of every person we serve and tailor treatment programs to meet a variety of wellness needs.

At Garcia House we focus on collaborating with a variety of community systems such as physical healthcare, human services, family and child welfare, and criminal justice.
